*'Beautifully topical, Fred and the Fantastic
Tub-Tub is a thrilling and wondrous adventure,
where the power of music and nature inspire
us all to make the world a better place.'*

Dame Judi Dench, Patron

Fred and the Fantastic Tub-Tub is a brand new children's
work for orchestra and narrator by James Marangone and Zeb
Soanes. When Fred's green-fingered grandfather shows her a
map to the mysterious island of Papa Nupi, he leads her on a
summer holiday adventure that just might save the planet.
